The above Map of township N° 9, Range N° 26 West, San Bernardino Meridian, is strictly conformable to the field notes of the surveys thereof on file in this office which have been examined and approved.

Surveyor General's Office
San Francisco, California
February 7th, 1872

Fred Wagner
Surveyor Gen. Cal.
This plat represents a reestablishment of the north boundary, portions of the east and west boundaries, and portions of the subdivisional lines designed to restore the corners to their true original location according to the best available evidence. The listing and areas as shown on the plan approved February 17, 1856.

The north boundary surveyed by H. W. Norris in 1855, reenacted by A. B. Palmer in 1878, and resurveyed by J. A. Glover in 1891.

Portions of the east and west boundaries and portions of the subdiisional lines resurveyed by J. A. Glover in 1902.

Dependent resurvey of the boundaries of Sections 1 to 20, inclusive, as to Section 16, Township 9 North, Range 26 West, San Bernardino Meridian, California, executed by Rager P. Willson, December 1, 1897, to September 1, 1901, under Special Instructions dated October 3, 1901. Full profile for the survey included in the report.

United States Department of the Interior
Bureau of Land Management
Washington, D.C. July 26th, A.D.

This plat is strictly conformable to the approved field notes, and the survey, having been correctly executed in accordance with the requirements of law and the regulations of this Bureau, is hereby adopted.
