This plat represents a retracement and reestablishment of the south boundary and a portion of the west boundary designed to restore the corners in their new original location according to the best available evidence.

The south boundary and a portion of the west boundary surveyed by J. R. Glover in 1855-1861.

Dependent resurvey of the south boundary and a portion of the west boundary of Township 10 North, Range 27 West, San Bernardino Meridian, California, executed by Roger Y. Wilcox, December 6 to 20, 1950, under Special Instructions dated December 4, 1950, which provide for the surveys included under Group 30A, California.

Timber in this area consists of cypress, oak, and cottonwood.

UNITED STATES DEPARTMENT OF THE INTERIOR
BUREAU OF LAND MANAGEMENT
Washington, D.C. July 14, 1960

This plat is strictly conformable to the approved field notes, and the survey, having been correctly executed in accordance with the requirements of law and the regulations of this Bureau, is hereby accepted.
